A BIT OF ZEST

Sleek, sophisticated and contemporary, Lemon Tree Hotels' first international stint is exactly how we expected it to be. Opening its gates in Dubai, the property offers 114 gorgeous rooms that boast of all amenities. Lemon Tree Dubai is located close to Sheikh Zayed Road and Jumeirah Open Beach, making it ideal for business and leisure tourists alike. Boasting clean linear patterns, a café with an al-fresco extension, a well-appointed fitness centre and a swimming pool, this new hotel is a smart stay choice when in Dubai.
